

ELECTRONIC LECTERN · BLT-ACRB55W

Electronic Lectern

BLT-ACRB55W · Digital Podium

Digital Podium with a metal body shell. A wooden, lockable sliding projection tray on the top gives an elegant look and protects the monitor. Includes a controller for controlling AV inputs and a sliding shelf for keyboard, laptop etc.

Logo space on the front of the body, with front and rear openable service doors. Colour, trays, storage drawer, locks, wheels and front LED signage are customised according to the requirement of the client.

Space for a 19" to 22" panel, or built-in interactive panels, in sizes 15", 19" and 22" depending on the podium model.
