

Building solutions, delivering experiences & offering after-installation support for your everyday needs.

About Us

Who are we?

BRONX AV is the global provider for complete range of Audio - Visual (AV) and Electrical Low Voltage (ELV) products.

Our range includes a plethora of products covering AV & ELV spectrum. Our strength lies in providing the latest technology to our users. Our strategy is inspired by global sourcing and local collaboration. We are networked with over 1000 companies all across globe for their technology sourcing, specialised parts and channelising.

INTEGRATED SOLUTIONS

Experience inclusive and compatible pre-configured solutions for spaces of all sizes and performance requirements that works as a productivity multiplier.

- 360-degree Digital Solutions
- Collaborative & Sustainable Products
